

Dear Panther friends,

After a very successful Tour in May 2010 we invite you for a new Tour in the Netherlands.

“PANTHER GOES NORTH HOLLAND”

At May 14-15 we organize an international Tour in the most north-west province of the Netherlands. Between Egmond at the North sea and Volendam at the “IJsselmeer” we will drive through different Dutch landscapes: Polders, coast, mills, nice little villages, dikes and dunes. See typical Dutch costumes and wooden shoes; taste herring and ale. Enjoy a good lunch and dinner. Stay in a nice hotel near the beach of Egmond.

We would like you to attend this Tour to have a nice gathering of international Panther friends with a nice route and time to socialize and enjoy.

If you like to attend this Tour, please fill in the document underneath and send it back.

Kind regards and maybe till May?
