The idea behind the Classic Car and Bike Meet is to enable like-minded car and bike enthusiasts to get together on a regular basis at a central venue to socialise and talk about everything and anything to do with bikes, cars and what's happening in the world!!!!

Food and soft drinks are available or just bring a picnic

This year the organizers are trying to introduce Trade Stands and already have bookings from Vredestien Tyres, Forte, Good Garage Scheme and Rock Oil.

Why not come along and see what you are missing, with an entry fee of £2 per vehicle, you will be sure to have a good time!

Ray and I will attend these meetings when available to do so and hope to meet others there too. If you would like any further information just get in touch.
