

## Toro Itinerary June 2016

### **Sat Arrive**

21.30 - tapas at hotel Juan II terrace as people will probably be tired. That gives people the option of joining in as and when. The G and T bar has reopened. Not sure how good their G and T's are though. I will ask Oscar if he is around to maybe do a special session of G and T's on the hotel terrace ????

### **Sunday**

11- 17h - Car show - suggestions for improvement welcome. We will expect more people being on a Sunday and we are creating a committee of people who want to join in the organisation to improve it! We have just added a new swing this summer and it has been a complete success.

Sunday evening -

Tapas in Toro at the first bar La Esquina de Nicolas. Nice, a light and easy. No big sit down meal!

### **Monday**

Cheese or ham visit and tasting in Toro (walking distance for most) - which would you prefer?

Lunch in Toro at Restaurante Castilla

Free afternoon or a walk to see Gildo for anyone that wants to

Dinner in Tiedra. Anyone that wants to ride can come earlier and we can arrange a horse riding session (Hazel and Linda?).

### **Tuesday**

Sugar refinery visit if possible

Lunch at Fariña (?)

Donkeys / horse and cart ride in the vineyards. This would be a new thing and fun. This would have a cost so I will check and let you know so you can see if this is what people want to do.

Tasting dinner in Morales de Toro, half with sparkling wines and half with big Toro reds.

Best
