Hi Folks

Well I've finally gone and done it (another camping trip!). I've gone with Canvas again as they are such good value for money.

I have opted for tents where available (cos they're more fun), but of course the final choice is yours. They would not reserve accommodation, so if you are interested book ASAP to ensure you get your requirements.

The cost will probably be somewhere in the region of £700 but this will depend on your particular requirements.

The trip will be approx 3000miles.

For anyone who hasn't done one of these trips before, all that you need to take is a sleeping bag or duvet and a pillow.

The camping is quite civilised as the tents have 2 bedrooms, a kitchen and living area. There are off the ground beds, electric lights, fridge a cooker with all of the crockery, cutlery and cooking utensils that you need.

If you need any more info e-mail me on laplain@btinternet.com or phone 01371 872002.

I appreciate the not every one can get three weeks off but there is no reason why you can't join us for the first two, or if you are on the European Trip you can even join us later (everything is totally flexible).

If you can let me know what your preferences are, then perhaps we can sort out something for those wishing to return to the UK early together.
