Bonjour aux passionnés de voitures Panther,

As Val announced in the last PCC bulletin, i am inviting you to prolong your stay in Guernsey and join The Club Panther Passion in the Auvergne Volcanoes.

Following our trip to the Morbihan, it is my duty to organise our 2013 visit. I would be very happy to see you again and share the beautiful scenery and the joy of driving through mountains in your company.

I have called upon old Professional acquaintances, to enable us to visit a cheese factory, which is rare.

I have arranged for you to create your own knife while visiting Thiers, the French capital of cutlery, which is unusual.

We have selected a modest but comfortable and friendly hotel, ran by a couple of Dutch people. We tried it, it is like being at home.

I have planned a tariff including room, breakfast and evening meal including wine at the hotel we stay. Lunchtime we will leave it for you to decide.

I would be grateful, i am sure you understand, to get a quick response, please. I am also open to your suggestions if you have any. I will endeavour to accommodate you as much as possible.

Please find attached the registration form in French (to be translated soon) and the proposed itinerary.

Please be assured that we will do our best to make your stay as enjoyable as possible.

Kind regards from our club members.

Jean Paul Sebille

PS don't forget that the Club Panther Passion board is part of the family as we also belong to PCC.
