Techno Classica Essen Germany 25th – 29th March 2020

After our success at last year's show with our theme Bonnie & Clyde we will once again be travelling over to Essen Germany to take part in the Shows 35th Anniversary.

Plans will be the same for those exhibiting we will travel over on the Monday 23rd March and return on the Monday 30th March. Bookings at Hotel Bredenay will hopefully be finalised asap so if you would like to attend whether you travel over on the Monday or later in the week it is optional.

Flying over to Dusseldorf airport, or like our Welsh members, take the train which they found very enjoyable are two good travel options. It is a very big Classic Car Show so to see all comfortably at least 2 days at the show is advisable. If you would like to travel

over and display your car please let me know. I do not have the stand details yet but we can normally accommodate 3-4 cars.

It would be good to see as many of our members at the show both from the UK and Europe. With it being our clubs 40th Anniversary it would be good to have a good turnout of members from far and wide to

celebrate & share a drink or two in the bar after the show of course. !!!!

Please let me know ASAP if you would like to attend or display and I look forward to meeting up with our German friends who are always on hand to help us on arrival. Reduced entry tickets are available if required.
