

HALLMARK SPORTS CARS

Since 1984, we have specialised in the sale and maintenance of Panther Cars. Our expertise extends to providing comprehensive services tailored to Panther owners. Our repertoire includes servicing, repairs and maintenance, diagnostics, electrical and welding work as well as upgrades and modifications.

We have the skills and knowledge to refurbish Panthers after periods of storage, breathing new life into these classic vehicles. Our dedicated trimming service can make bespoke, made-to-measure hoods and covers, expertly fitted to enhance the aesthetics of your Panther. The accompanying photos serve as a testament to the diverse range of projects we have undertaken throughout the years.
