ELF HORNET REGISTER

In 2002 a chance conversation between two Wolseley Hornet owners, whilst sat side by side in the queue to get into the

Bromley Pageant, led to the formation of the Elf Hornet Register, the largest worldwide club to cater solely for the Riley Elf and Wolseley Hornet.

In our ten years we have tried to raise the profile of our cars and help owners and enthusiasts to find cars and parts. We have members all over the world and the Bromley Pageant is a regular event for us every year. We won Best Club Stand in 2010 and were runners-up in 2011.

MX5 OWNERS CLUB

Once again the MX5 Owners Club is attending the Bromley Motoring Pageant and this year we have over 35 members' cars to view. We have various models from

the MK1 to the latest MK3.5, as well as extra special limited editions cars.

The MX5 Owners Club has just under 6000 members in the UK, making it one of the largest MX5 Owners Club in the world. It was formed in 1994 by three enthusiasts and became a limited company in 1998. It has grown over the years and encourages people to enjoy the MX5 car through safe driving with fellow enthusiasts. The Club is split into areas and the South East Area is pleased once again to be attending the Bromley Pageant.
